Tiny Land Wooden Train Set Toddler Tracks, Toy Tracks, Engine, Passenger Car (37-Piece Kit) Kids Friendly Building & ConstructionExpandable, ChangeableFun for Girls & Boys Product Description | Make sure this is true when entering your model number. Complete Play set for young children These fun train sets for kids feature flat and curved tracks, bridge, people, landscape, engine, passenger car, carrier, and other accessories children can use to create their own unique track! Top quality wood craftsmanship This wooden set of train tracks is made of beach wood, which is firmer than pine and is characterized by hand-sanded edges to better protect children during the game. They are also BPA, lead and phthalates free. Universal brand compatibility compatibility Our toy train kits for boys and girls even more fun is that they work with other popular toy train brands such as Thomas, Ikea, Melissa and Doug, Chuggington, and much more. Expandable track design A great way to promote an active, healthy game for young children, these wooden train sets have three different mode pieces and allow multiple connections with two or more sets. Perfect for expanding the imagination, too! Wonderful Gift Choice Toy train sets are easy to construct and enjoy for young children, so they are a wise gift or gift during holidays or birthdays. They also have a gift box and a storage box to make them easier to store or a portable game. Play.
